

A Young Man Prepared

Words and music by Daniel Lyman Carte

Pictures from: The Friend

Though a boy I may appear,

Yet a man I soon will be.

If I prepare and live clean

in ev'ry thought, word, & deed,

I will be worthy to hold

the sacred priesthood of God.

So I now prepare myself;

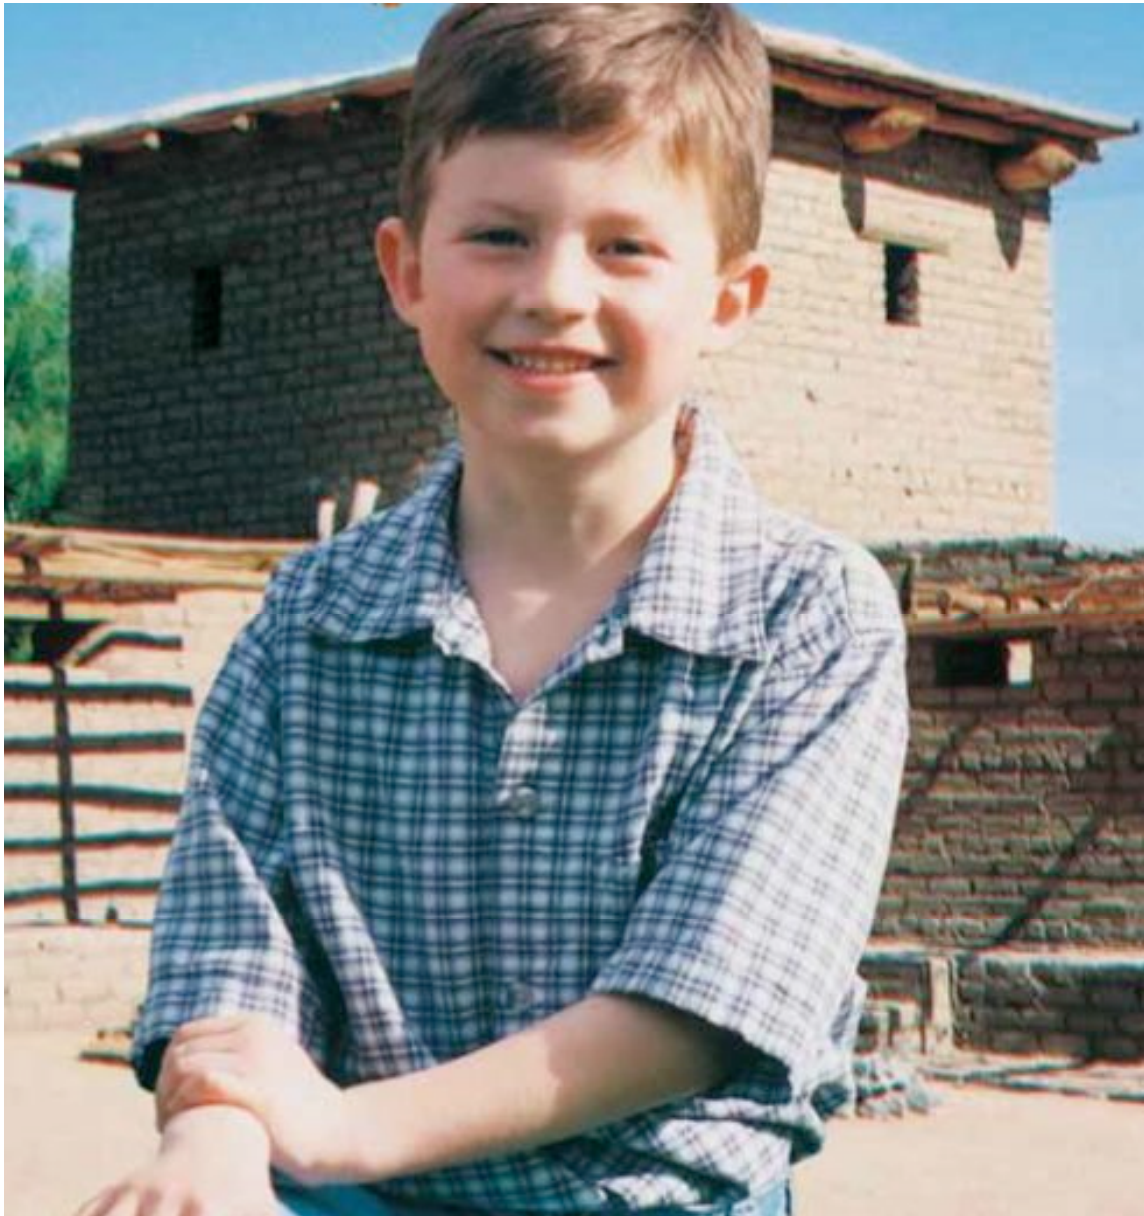

I will serve my fellowmen.

Being armed with the truth,

with the scriptures my guide,

I'll go forward,
a young man prepared,

I'll go forward,
a young man prepared.
