

Because God Loves Me

Words and music by Joleen Grant Meredith

Pictures from: The Ensign, New Era,
Primary Visual Aids, & Behold Your Little Ones

God planned the day;

he planned the night.

He gave the darkness,
then the light,

The sky of blue,
the sun so bright,

Because he loves me.

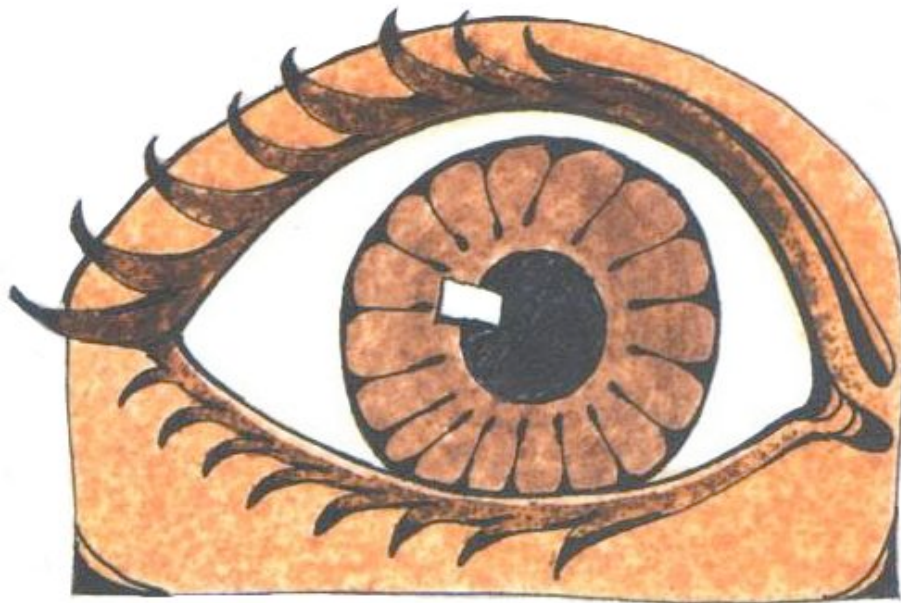

God gave me a family,

A cheerful heart

and eyes to see,

That I might live here happily,

Because he loves me.
