

The Dearest Names

Words and Music by Frances K. Taylor

Pictures from: The Friend

I know a name, a glorious name,

Dearer than any other.

Listen, I'll whisper
the name to you:

It is the name of mother.

Mother, so tender
and kind and true,

I love you, I love you.

Mother, so tender
and kind and true,

I love you.

I know a name, a glorious name,

Dearer than any other.

Listen, I'll whisper
the name to you:

It is the name of father.

Father, so noble
and brave and true,

I love you, I love you.

Father, so noble
and brave and true,

I love you.
