"Feliz Cumpleaños,"
(fay-lees coom-play-ahn-yos)

That's how they say it in Spain.

"Fröhlicher Geburtstag,"
(frer-li-sheer guh-burts-tahk)

In German it means the same.

"Gratulerer med dagen,"
(grah-too-lay-rare med dog-en)

Norwegians say it too.

But any way you say it,
It means

"Happy Birthday to you!"

They say in Samoa,

"Manuia lou aso fanau."
(mah-noo-ee-yah low ah-so fah-now)

"Tanjobi omedeto,"
(tahn-joe-bee oh-meh-deh-toe)

The Japanese say, and bow.

"Saengilul ch'ukhahamnida,"
(sang-ill-ool chewk-ha-hahm-nee-dah)

Koreans say it too.

But any way you say it,
It means

"Happy Birthday to you!"
