I think the world is glorious

and lovely as can be.

The birds

& bees

& blossoms

bring sweet messages to me.

I sing, & sing, & sing, & sing

A song of joy and love.

I sing, & sing, & sing, & sing

My thanks to God above.

I think the world is glorious

and lovely as can be,

For I have teachers kind & true,

and parents who love me.

I sing, & sing, & sing, & sing

A song of joy and love.

I sing, & sing, & sing, & sing

My thanks to God above.
