# Joseph Smith when humbly praying

saw the Father and the Son,

As They are in all Their glory,

brighter than the noonday sun.

Give Them glory,  
give Them honor

for the truths restored  
through prayer.

God above shall beam His light  
into your heart

these truths to share.

Joseph then was called by God

to bring to light His holy word;

In the Book of Mormon  
we will find

God's precious truth restored.

Read it daily, seek and ponder,

and lift up your soul in prayer.

God above shall beam His light  
into your heart

its truth to share.
