

When Grandpa Comes (When Grandma Comes)

Words and music by Marian Major

Pictures from: The Friend

It's always fun
when grandpa comes,

When grandpa comes,
Hooray!

He always says
the kindest things,

And in the kindest way.

He has a wrinkly,
twinkly smile;

He's happy all the day.

It's always fun for ev'ryone

When grandpa comes.

It's always fun
when grandma comes,

When grandma comes,
Hooray!

She always says
the kindest things,

And in the kindest way.

She has a wrinkly,
twinkly smile;

She's happy all the day.

It's always fun for ev'ryone

When grandma comes.
