Where love is, there God is also.

Where love is, we want to be.

Guide us,

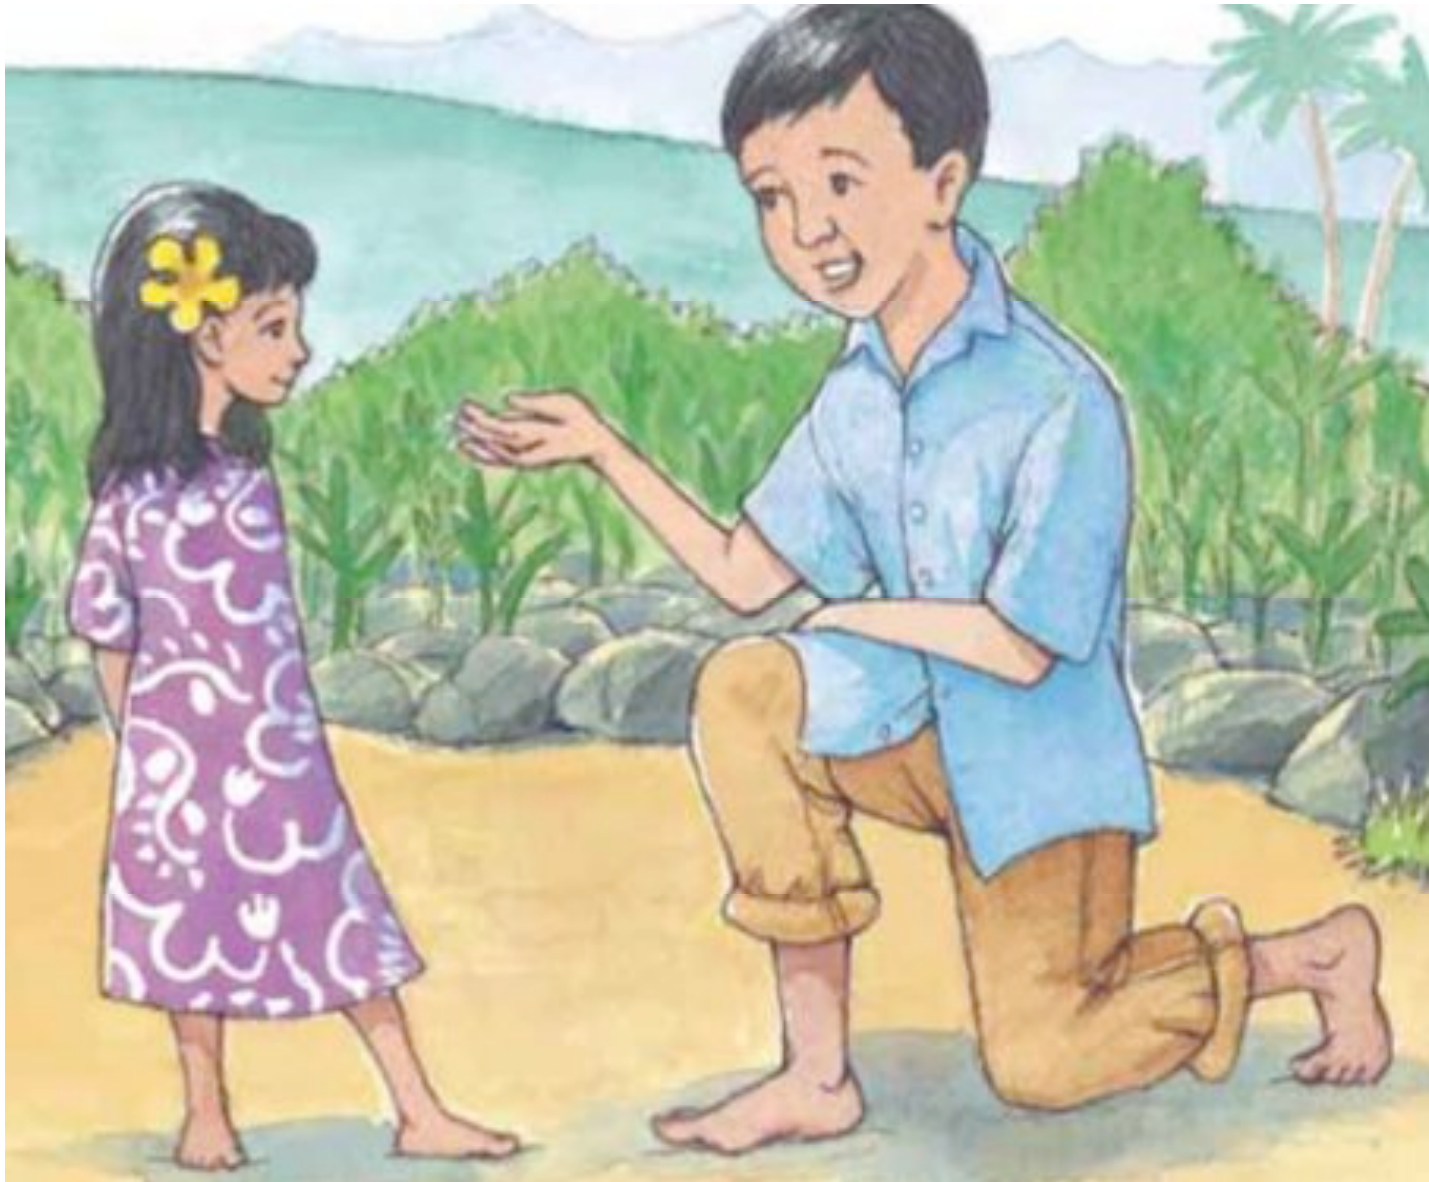

his truths to follow;

Help us obey him faithfully.

Where love is, there God is also.

We think of him rev'rently.

Teach us to pray,

to talk with him above

And know that he

will guide us with his love.

The comfort of loving arms around us,

A song

that makes us want to sing,

The happiness we feel

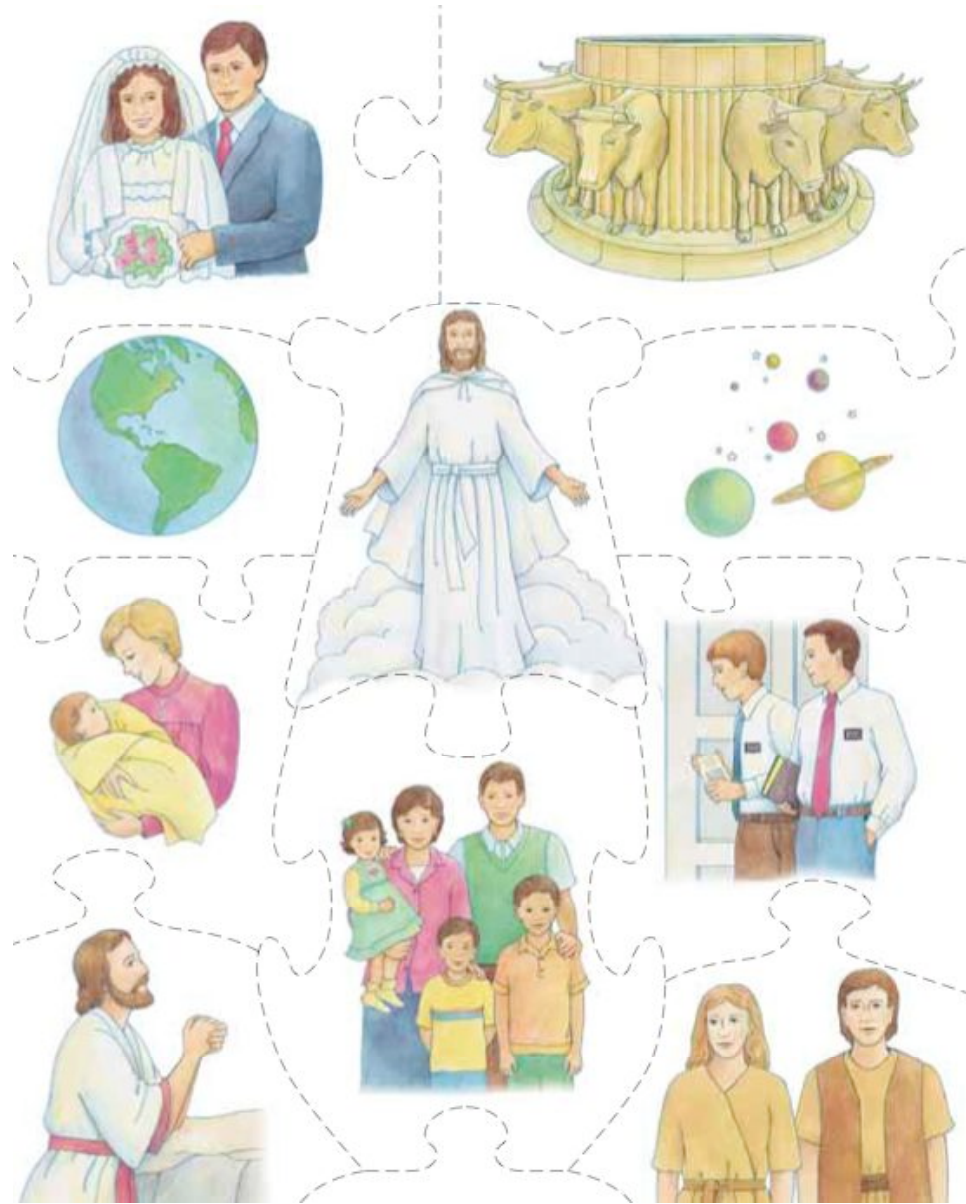

when love has found us,

'Tis love we get

when love we bring.

Where love is, there God is also.

And with him we want to be.

Show us the way

and guide us tenderly

That we may dwell

with him eternally.
